WILLS

As a Regular Force member of NZDF you're automatically provided with a \$300,000 Life & Terminal Illness benefit - giving you peace of mind that if the worst were to happen the people you care about would have some financial support. However, did you know that if you don't have a Will in place these much needed funds might not go to the person or people you would like them to go to? To stop this from happening all you have to do is complete a Will. Even better, you can do this for free with Footprint.

- Footprint is an online Will service where you can get your will sorted anywhere, anytime, in a matter of minutes.
- To arrange your online Will please refer to the force financial hub for more information <https://force4families.mil.nz/wills-and-other-services>.

1 May 2019

Dear Member of the New Zealand Defence Force

In 2014 we first launched our staff insurance package called Member Insurance Benefits Programme (MIBP). This package saw the New Zealand Defence Force (NZDF) providing comprehensive insurance cover for serving personnel, civilian employees, and Reserve Force members.

We have also created a wide range of additional insurance options for our Regular and Reserve Forces, civilians, spouses/partners and former defence members. To date, over 2200 people have taken out additional Tier 2 and 3 MIBP insurance. MIBP is also available after your career with the NZDF has finished, and more than 400 people to date have chosen this option.

Recently we have made further enhancements to our insurance offering to ensure it continues to meet the needs of our people and their families. These additions to the MIBP include the ability to purchase funeral cover for yourself and family members; additions to the physical loss policy; and a wider range of options for our Reserve personnel. We have also extended the eligibility age to 80 for the commercial life insurance cover for all member categories.

In 2017 we widened the MIBP offering to cover more people in our Defence Community (such as former members and families) and we extended the scheme to Ministry of Defence employees, which brings insurance into line with other Defence Force Savings Schemes and other Force Financial Hub products and services.

If you have any questions about information in this brochure you can contact the NZDF benefits team benefits@nzdf.mil.nz or phone Aon on 0800 642 748. Information about MIBP, and all other Defence member benefits are available on the Force Financial Hub website.

I encourage you to take the time to look at what is available to you and your family.

Air Marshal Kevin Short

Chief of Defence Force
